HIGHLAND SPRINGS

KE COUNTY, CAL. *J. CRAIG, Proprietor*

Is situated in the South Western portion of Lake County, California, seven miles
h of Clear Lake, at an elevation of about 1700 feet above sea level. There are thirty
mineral springs varying in temperature from ice cold to 90° Farenheit, the waters
hich are different and comprise almost all known mineral waters.

The springs are within a radius of a few hundred yards, making them all easy of
ss from the hotel, and are situated at the upper end of Big Valley, at the base of the
st Range Mountains. To the north and east there is an almost level stretch to Clear
e, while on the south and west the mountains reach an altitude of 3,000 feet or more.

The hotel, cottages, baths and springs are situate on the banks of Highland Creek,
n a pretty, level plateau covered with oak, pine and other shade trees in unlimited
ber. There is also an abundance of pure, fresh water brought upon the grounds
ipes from the adjacent mountains.

There has been built during the past winter a large and commodious hotel and one of
finest dining rooms north of San Francisco. The grounds have been thoroughly
ered, and every precaution taken to make the sanitary conditions as nearly perfect
ossible.

The rooms in the new hotel are large, airy and light, hard finished and equipped
the latest and best of furnishing, and every facility secured to make the place first-
s in all its appointments.

The climate is mild and pleasant, free from fog and disagreeable winds, and cannot
urpassed anywhere in California, if in the world.

One of the many great advantages of this resort is its central location and easy
ss, being only twelve miles from Pieta, on the San Francisco and North Pacific
road, from which is one of the best roads in the State, passing through a picturesque
beautiful country, so that the ride is a pleasure instead of a hardship.

The stage service on this route is first-class in all its appointments, and equal to any
he Pacific Coast. Private conveyances can be had from the Springs upon applicatiou
persons not desiring to travel by stage.

From the Springs trips to and return are made with ease in a day to all the
cipal springs and resorts in Lake County, while the trip to and upon Clear Lake is
of the grandest and most beautiful in the United States, comparing favorably with
trips upon any of the renowned lakes of Europe.

Guests at this resort can take outings with ease and comfort to all points of interest
ake County, while trout fishing, deer hunting and bird shooting can be had to the
t's content in the immediate neighborhood. There is connected with the resort a
-class livery stable, so that a trip here means every facility and convenience for
ig Lake County, America's greatest Sanitarium, in all its beauty and magnificence.

With the new improvements just completed, the comforts and accommodations are
l to any resort in the State, and it is the purpose of the management to so conduct
same as to make it

THE RESORT OF NORTHERN CALIFORNIA

both **health** and **pleasure** seekers, a safe and reasonable place for persons to send
r families for summer or winter, with assurance that every attention and care will
hown them.

We make our table a special feature. It is always supplied with the best that the
ket affords, and upon that point we invite comparison and criticism.

We refer with confidence to all persons who have been guests of this resort during
past two years.

Other Improvements.—There has also, within the last year, been completed a fine
e dancing hall and opera house; also a boating lake, which is well stocked with
ce fish. There is also a general merchandise store for the accommodation of
ts and campers.

The Springs can be reached from any point on the Southern Pacific route by way of
stoga, thence by stage direct from Calistoga to the Springs. Also by the Donahue
e from San Francisco by way of Pieta, thence by stage direct to the Springs.

For routes and distances, examine map. The road over which parties now travel
n Pieta, has recently been built at a cost of upwards of thirty thousand dollars, is
of the prettiest turnpikes on the Pacific Coast, the grade on which in no place
eds six feet in one hundred. The stage lines are the best equipped and handled
s in existence. The scenery, varied and pleasant.

Passengers by way of the Donahue route, from San Francisco, only have about six
rs' travel to reach the Springs.

THE ONLY KEELEY INSTITUTE IN NORTHERN CALIFORNIA.

If you are interested in any one who uses Alcohol, Opium, or Tobacco to excess, read the following:

FROM time immemorial quacks, fakes, and impostors have succeeded, by plausible talk, in persuading a confiding public to part with their hard-earned money in the expectation of being benefited by some so-called cure. This has gone on until people are suspicious of everything in the nature of cures, and it is only by the most convincing testimony, extending over a period of many years, that the really intelligent man or woman can be won over to approve and indorse a treatment for disease of any kind.

Drunkenness was for centuries considered a habit, and the sufferer from it was accused of want of moral principle, lack of will power, etc., until DR. KEELEY announced to the world that it was a disease, and that he could cure that disease. This startling departure from recognized ideas made the public all the more doubtful as to the correctness of his assertions. This was fifteen years

ago, and during that time over 250,000 people have been treated by the Keeley Remedies for drunkenness, the tobacco habit, the opium habit, and other drug addictions and neurasthenia. These men and women and their relatives and friends have all given their testimony as to the effectiveness of the cures. Thousands of the most eminent men and women in the country, after thorough investigation, have given it their unqualified approval; the United States Government has introduced it into the homes for disabled volunteer soldiers; several States and cities have passed laws compelling habitual drunkards to take the treatment; and the whole country recognizes the benefits derived. In short, DR. KEELEY'S claim, that inebriety is a disease, and that by the use of his remedies at the various Keeley Institutes such disease can be cured, has become as thoroughly substantiated as that vaccination will prevent smallpox. As a consequence of the success of the Keeley Treatment, impostors and imitators have sprung up on all sides, run a short-lived course, demonstrated their inability to make permanent cures, and subsided.
